**April 17 — Full Day of WIC Training**

**April 18 & 19 — Keynote and breakout sessions to include a variety of public health issues affecting the maternal and child health population of Montana.**

**Keynote Speaker — Tuesday, April 18**

- Mark Koday, DDS — Dental Director of the Yakima Valley Farm Workers Clinic  
Dr. Koday will speak on key preventative messages for parents and pregnant women that will help them improve their family's and their own oral health.

**Motivational Speaker — Wednesday, April 19**

- Mark Gorkin, The Stress Doctor — a fun, thought-provoking program on stress, job burnout and managing organization change and conflict.

**Breakout sessions will include topics such as**

- Don't Share the Germs
- Injury Prevention Opportunities
- Drug Endangered Children
- Know Your Rights: The Pregnant Employee in Montana
